## CU Members Mortgage Helps Kids For Our Troops Surpass Fundraiser Goal

**DALLAS, TX – April 20, 2012** – CU Members Mortgage, a nationwide credit union mortgage services provider, raised more than \$6,000 to support the [Home for Our Troops](#) (HFOT) program, which builds homes for military men and women who have been severely injured in combat operations since September 11, 2001. Through the [Kids for Our Troops](#) (KFOT) program, which helps raise funds for HFOT, CU Members Mortgage helped the program surpass its \$25,000 annual goal originally set in August 2011. To date, it has raised \$44,600, achieving its goal six months early and continuing to exceed it.

According to CU Members Mortgage Senior Vice President, Linda Clampitt, the mortgage services company became involved when it participated in a recent companywide, casual day fundraiser, hosted by Kids for Our Troops, called Jeans for GIs. Employees paid \$5 to wear jeans on February 29, 2012 in honor of U.S. Servicemen and Women. Additionally, sales managers around the country invited their credit unions to participate. Overall, the effort raised more than \$6,000 for a Colorado home built for Nick Orchowski.

“Homes for Our Troops – and Kids for Our Troops – are wonderful programs that we are proud to be a part of,” states Linda Clampitt, Senior Vice-President of CU Members Mortgage. “We are more than happy to participate and give back to our troops who have sacrificed so much for the country. We look forward to continuing to help and support these programs and our troops so they can have beautiful houses when they return home from overseas.”
