## CU Members Mortgage Opens 2013 with Double-Digit Signings

**DALLAS, TX – April 16, 2013** – Just as it finished in 2012, credit union mortgage services provider [CU Members Mortgage](#) has started 2013 with yet another strong showing, signing credit unions in the double digits (15) during its last fiscal quarter. This activity continues the trend of credit unions looking to shore up their mortgage lending services to prepare for a housing market resurgence – and home buying season this summer. As a result, these credit unions can leverage CU Members Mortgage’s seamless mortgage lending services to experience reduced fraud risk, enhanced processing efficiencies, and additional fee income.

### The new credit unions signed in Q1 2013 include:

1. Red River Employees FCU – Texarkana, TX; Assets - \$638,197,170; Members – 65,318

Because of this increased activity, CU Members Mortgage is looking to add experienced credit union professionals to its growing staff to support its current and future clients with their member lending services. The mortgage provider has restructured parts of its organization to better meet the new client demand, while continuing to serve its established clients. Specifically, positions are available for senior sales executives, account executives and loan officers in various locations across the country.

“It appears 2013 is shaping up just like 2012 ended – very strong,” states Linda Clampitt, Senior Vice-President of CU Members Mortgage. “Our continued streak of consecutive quarters with double-digit signings certainly indicate that credit unions are looking to position themselves as the primary providers of mortgage loans for consumers nationwide. We look forward to helping them achieve this goal with our robust services offering and expert leadership in the marketplace.”
